DEBATE: Is the COVID-19 Vaccine THE Mark of the Beast? Pastor Gino Jennings VS Mr. Israel

On Sunday, July 4, 2021 Pastor Gino Jennings debated Mr. Israel of Michigan on the subject "Is the COVID-19 Vaccine THE Mark of the Beast?" The debate was well anticipated, and many came from far and near to witness this event, some of which were simply wondering if Mr. Israel was going to show up.

It was clearly stated in the opening comments what the subject was and that each would have to support their introductory comments with scripture, with a time limit of ten minutes.

Mr. Israel started off from the beginning expressing his own personal beliefs. One, being an encounter that he had with a nurse that dealing with receiving benefits to first responders. Secondly, his distrust of the government's agenda. Next, he went into his Indian heritage. After exceeding his time limit, Pastor Jennings reminded him what the subject was and asked him to address that subject. Thereafter, Pastor Jennings questioned Mr. Israel on his understanding of prophecy. Pastor Jennings further educated Mr. Israel on how to properly deal with prophecy. Pastor

Jennings instructed him that he should never look at an event first, but should first look at the prophecy and then the event.

Mr. Israel went on to say that former President Trump was the originator of the vaccine and brought the vaccine to wage war. Pastor Jennings debunked this statement when he noted that the vaccine had been distributed in India and Europe prior to coming to America. Being so, Trump was not the originator of the vaccine.

Next, Mr. Israel then proceeded to make endless false statements that were solely based on his own biased opinions and personal feelings.

The debate ended as it has normally in the past with the opposing member being embraced as a cordial gesture, asked to have a seat, and given the opportunity to learn. Pastor Jennings moved onward as he normally does and preached the word of God with scripture to support all his sayings.

This makes you ponder as to when will those that fight the teachings of holiness and the Truth of God, will ever stop. It goes without saying, that you can never fight against the word of God and win!

"But if it be of God, ye cannot overthrow it; lest haply ye be found even to fight against God." Acts 5:39

TESTIMONY

Thank God for second chances

My first baptism took place when I was a young girl, around the age of 5 years old, that would be in the year of 1982. I had no idea what was happening and why it was happening, all I knew was I was placed in a white robe and a shower cap was placed on my head and then I was told to stand in line.

I watched as my siblings and other children were being dunked in water. Then it was my turn, and I honestly don't remember what the guy said before he dunked me, all I knew was I came up out the water choking on water because he never warned me to hold my breath.

Years passed on and I was brought up in Pentecostal churches. In every service my mother made us attend, I always felt out of place, like my spirit knew I didn't belong there. I could see right through people, even the pastor. I could tell who was lying and who was pretending even when people faked the Holy Spirit being on them.

When I became an adult I separated myself from church because I observed so many fake demeanors, even the saints who spoke to my mom, their body language and facial expressions were noticeably fake in my eyes.

Most people would call them hypocrites. More years past on and in the month of October 2016, I was introduced to the Truth of God ministry.

I was asked 2 questions, "Are you saved? How do you know you're saved?" I always thought I was saved, being as though in the false church the pastor had me raise my hand and repeat some words he said.

I really couldn't answer the questions, I was confused. So the gentleman explained to me why I wasn't saved. And then he went on and on about the Word of God and my attention was glued to him. My understanding became so clear and I was re-baptized that same week

on 10/9/16 in Philadelphia, PA at

First Church of Our Lord Jesus Christ by Minister Taj, and also became a member after that.

As time passed on Pastor Jennings and the ministers would preach and after every sermon they would stress to everyone Acts 2:38. Paster would yell the word "Repent" and every time he would yell that word and add, "and be baptized" I tried to remember if I repented before I went down in water in 2016.

It's now 2020, and I still can't remember if I repented first. I spent years trying to remember and came up with the conclusion to get baptized again. It's better to get baptized right then to not, and go to hell. So I spoke with Minister Taj on 4/19/2020 and explained my situation and he told me it's best to do it over because it is a Commandment by God to repent and then be baptized in the name of Jesus Christ.

Therefore, Lord willing, by the time anyone reads this, I will have been baptized, following God's commandment on 4/26/2020. If you feel you did not repent first before you went down in water, there's nothing wrong with getting it done again to make sure you re-
